## Superior Solutions

Proven strength and stress free performance in the refuse industry.  
Durable rotationally molded polyethylene dumpsters.

SHHH!  
Quietness  
Counts!

Custom colors available.

Weighs 60% less than steel containers, lightening the load on the truck and arms.

Secure metal lifting brackets are compatible with Emco side loader trucks.

Lift strengthening ribs on sides and bottom

Double wall lid secured at multiple hinge points for added strength.

Lid stops prevent lid from flipping all the way back, making it easier to dump and keep lid closed.
